TLC The Lyric Continues....

The Lyric Theatre, like all of the other theaters in the country, has been impacted by the recent changes in technology with the introduction of digital films. As a result, the Lyric Theatre must purchase new projection equipment to reopen.

A survey was taken in Park River and the surrounding area to measure support for a Lyric renovation project which would include new projection equipment and new bathrooms. The vast majority of responses were positive.

Based on the encouragement of the community, we've decided to forge ahead with fundraising. The projection equipment can be purchased for \$50,000 including installation. Additional improvements are also required including the bathrooms-upgrading and bringing them to accessible status-and roof repairs.

Our goal is to raise \$100,000 for this project. We need your help in our efforts to save a cherished part of Park River history (remember your weekend dates at the Lyric and the free Christmas shows prior to visiting Santa?) Your tax deductible donations over \$2000 may be pledged over a period of up to 5 years.
